Rare GASTERIAS WITH PERSONALITY.

We grow several good varieties, of which we strongly recommend following ones:
Gasteria caespitosa. Cluster forming, beautifully speckled, the most attractive of the smaller varieties.

Gasteria verrucosa. Silver frosted with pearly tubercles, attractive coral flowers.

Gasteria obtusifolia. Odd, square ended leather-like leaves of rich, brown color.

Gasteria marlothii. Smooth, purplish colored, marbled type.

Gasteria acinacifolia. Leaves densely covered with fine lighter tubercles on dark background.

These are not just "hybrids" but true species of distinct character and merit.

Prices: 45c ea., + 1.50 per dozen.

For general use we offer an assortment of any different kinds, 1" to 2" or more for \$ 2.45 per 100 and \$ 20.00 per 1000.
